CIRCUIT COURT OF SEVENTH JUDICIAL
DISTRICT, NATRONA COUNTY
BY _____ CLERK

To your honor

1-25-22

I was incarcerated so upon release I called Union telephone to dispute charges. They gave me a # for collections. I called them and told them I got a used woman phone and think the charges were way to much. They said they would call me back they never did. Now Im being served. I called collection Professionals Inc they said they offer me \$500 dollar deal and said I said no. That was not the case I would of said yes and asked to make payments. I served a 72 month federal sentence and went on to take care of any outstanding bills. Judge Im just trying to do the right thing now and want a fair amount for my bill for what I beleive for a phone that was used and was a purple womans phone. that did not work right.
